

WOMEN INCLUSIEVE FILMLIJST

Deze filmlijst hebben we in samenwerking met jullie, onze achterban, opgesteld! Het zijn 130 verschillende verhalen door of over mensen die te weinig of stereotyperend worden gerepresenteerd in de media. We hebben geprobeerd de lijst zo inclusief mogelijk te maken en een groot scala aan films op een rij te zetten. Uiteraard zullen we niet volledig zijn, en horen we graag jullie aanvullingen!
Op alfabetische volgorde:
